

# HospiceCare of Boulder and Broomfield Counties Community Labyrinth

HospiceCare Labyrinth | 2593 Park Lane in Lafayette, CO

HospiceCare's 50-foot rock **Labyrinth** is a single intricate and continuous path which takes you to its center and back on the same path. By walking, you experience the journey of life, both inner and outer. Not to be confused with a maze, which is designed to confound and confuse, the labyrinth has no tricks. It simply represents the path of life, the opportunity to reconnect and remember your center. And it all happens simply by putting one foot in front of the other. No obstacles. No dead ends.

HospiceCare's Labyrinth is a gift for our entire community and is available to walk at any time. For more information, please call 303.449.7740.
