

WIDOWED PERSONS SERVICE OF HOSPICECARE OF BOULDER & BROOMFIELD COUNTIES

Organized in 1994, Widowed Persons Service is now a program of HospiceCare of Boulder and Broomfield Counties. Its purpose is to offer support to men and women who have lost a spouse and are ready to reinvest in life.

We do this through one-on-one telephone support, various social events, and monthly support meetings, where we gather in small groups to confidentially discuss our concerns or invite guest speakers to help us learn to live without our spouses.

How Does WPS Help?

“I now can call and talk to someone any time who has gone through what I am experiencing.”

“Attending our meetings makes my day go from crabby and frustrated to realizing that life is too short to feel that way.”

~comments from WPS members
